

PROMOTING COMMUNITY UNDERSTANDING OF HUNTINGTON DISEASE

CONTRIBUTIONS FROM

SCHOOL OF MEDICINE
Neurology

JANUARY 22, 2026
10:00 am – 1:00 pm

About

We're excited to talk with the community about Huntington's disease, what it is, how it affects families, and why understanding it matters. We'll share the basics, answer questions, and highlight simple ways our community can offer better support.
